Welcome to Countryside Christian Church, a non-denominational church, whose purpose is to share God's love with a hurting world. We are an eclectic blend of families, singles, young, old; an ever-increasingly diverse group of people who are convinced everybody matters to God.

As a biblically based church, we believe that practical, relevant teaching is the catalyst for transformation in our lives. We are passionate about worship and teach it as a part of everyday life. We celebrate together with wonderful music, teaching, communion, and prayer. We are convinced that full devotion to Christ is normal for every believer. We are dedicated to being God's hands of hope and compassion in a world filled with brokenness locally and globally.

Whether you are just curious about God or deeply committed to Him, we welcome you. Please let us know how we can help you become connected at Countryside.
